

Register today to attend the Fourth International Fuel Cell Bus Workshop

October 22 - 24, 2006 in Yokohama, Japan

Location:

InterContinental The Grand Yokohama
111 Manatomirai
Nishi-Ku
Yokohama, Japan

This workshop will feature:

Welcome Reception

Join us on Sunday, October 22 at 6:00pm for a reception to meet your fellow attendees and meet with poster presenters.

Plenary Sessions

In addition to an overview of ongoing fuel cell bus demonstrations, you will hear presentations about the status of fuel cell bus data collection, a report on new international fuel cell bus initiatives, and sensitivities in Data Sharing.

Breakout Sessions

Building on the successful format of last year's workshop in Vancouver, attendees will have the opportunity to work in small groups to address challenges and propose solutions for the fuel cell bus industry.

Poster Session

Fuel cell bus demonstration projects from around the world will be featured in a poster session, and representatives will be on hand to answer your questions.

Register Today!

The bus workshop is free, but you must register in advance.

Simply reply to this email with all of your contact information to register for the Fourth International Fuel Cell Bus Workshop in Yokohama, Japan.

The Fourth International Fuel Cell Bus Workshop is being held in conjunction with the 22nd International Battery, Hybrid and Fuel Cell Electric Vehicle Symposium & Exposition. For more information about the conference, and to register, visit www.evs22.org.
